Your Honour

The government website petition scheme on a matter that did not secure cross-party support as in the linked Written Constitution submission of mine that got nowhere has proved to have been a total waste of time in my going through Parliament where the Prime Minister of the day is ultimately and solely in charge of proceedings in the House of Commons:

**02 July 2024, 08.45 am (UK-Time)**

in Diary of the Author

<https://www.thelibertariandemocrats.com/forum/diary-of-the-author/02-july-2024-08-45-am-uk-time>

Where is everybody?

[https://archive.org/details/the-last-hurrah-digital\\_20240702](https://archive.org/details/the-last-hurrah-digital_20240702)

The constitution therefore lays down within the implicit separation of powers of the long-established retention of the independence of the Judiciary in the matter of interpreting the unwritten Constitution of the United Kingdom the determination that the government's decision in not enabling the Written Constitution petitioned by the Conservative Libertarian Party of the United Kingdom (TCLP-UK) over an extended period of time was unlawful.

I should be most grateful for your adjudication over the procedural elements and outcome of this application.

Yours sincerely

Dr Shantanu Panigrahi

AUTOMATIC RESPONSE

Thank you for your email to Central London County Court.

In future when emailing, please put the case number and the content in the subject line, for example J70CL123 Acknowledgment of Service. This will help your email get to the right team as quickly as possible.

We are experiencing a high volume of emails coming into the court. Please do not send multiple requests, as we are currently unable to deal with them. Please limit your correspondence to urgent matters only or documents for hearings.

We are working through relisting hearings and urgent matters. We ask for your patience at this time. Unless your matter is regarding a hearing taking place within 2 weeks, there may be a delay in dealing with it.

#### WHAT IF I HAVE A HEARING LISTED?

The majority of hearings are held face to face. For remote hearings, please be advised that you will receive the invite for the hearing either the evening before or on the morning of the hearing. If you have not heard from the court, please ring 0300 123 5577.

Please see below for guidance on the following matters:

1. Appointment information
2. Email Guidance
3. Email Specifications and exemptions for HMTCS
4. Sending emails with associated fees
5. Making a Claim
6. Reasonable adjustments
7. Complaints
8. Legal Advice
9. Finding a Court's contact details

#### 1. APPOINTMENT INFORMATION

- WHERE: All existing and new face to face appointments for Central London County Court will be held at the public counter on the Ground Floor of the West Green Building WG07.
- WHAT: APPOINTMENTS ARE STRICTLY FOR THE BELOW CRITERIA:
- Stay of Eviction (double appointment)
- Injunction (double appointment)
- 24-hour limitation on application
- Judicial intervention within 24 hours.
- Trial Bundle (if hearing is within 3 days)
- Cash payment on application (if cheque/postal order is unavailable)
- Swearing statutory declaration
- Swearing affidavits
- Search of bankruptcy register

ANY MATTERS WHICH FALL OUTSIDE OF THE ABOVE SHOULD BE LEFT IN THE DROPBOX BY THE RECEPTION DESK IN THE MAIN HALL OF THE ROYAL COURTS OF JUSTICE

The received date will be the day the documents were dropped

- To book an appointment contact the court by telephone on 0207 947 7502. Please note we will not be able to deal with any queries via this number.

#### 2. EMAIL GUIDANCE

Any e-mail which fails to comply with the guidance will not be processed and will be returned to you.

All enquiries to civil courts and family courts can be received by email.

- You can send all letters and documents (exemptions are listed below) relevant to the case including adoption cases. However, due to the sensitive nature of adoption work, the court will only send emails to secure email accounts.
- An email account is considered secure when security measures are in place to make sure the data in the email can't be accessed by users without the relevant approval. Any account that ends in the following is considered secured: gsi, pnn, gsx, gcsx, gse, cjsm, and nhs.net.
- If you are attaching a copy of an order from a hearing for the Court to process, please ensure that you are submitting it in Word format only.

#### SENDING BUNDLES

- Please note that court bundles are not part of this process and we will not print them. Some Local Authorities are piloting the use of Cloud-based 'E-bundle' storage solutions that allow all parties involved in a case to view and download the evidence electronically. This is different to the receipt of bundles by email. The court can not accept documents that require the setting up of an account or a password.

### 3. EMAIL SPECIFICATIONS AND EXEMPTIONS FOR HMTCS

- All Civil and Family process, applications and documents will be accepted by email as long as when the entire email is printed out it is not more than 50 pages. This should include the email, all attachments (including any documents embedded in another) and enough copies to serve on required parties (excluding Local Authorities, CAFCASS and CAFCASS CYMRU for Family cases only).
- The total size of the email, including any attachments, must be less than 10mb.

Please note that:

- A page is one side, so 50 pages equals 25 pieces of paper printed on both sides.
- Requests for the issue of Specified or Unspecified civil claims are excluded from this process. However, any subsequent process that leads from this following the issues of the claim will be accepted.
- Do not use more than one email to take any step in a case which requires a document or documents to be filed.

### 4. SENDING EMAILS WITH ASSOCIATED FEES

- In both Civil and Family cases court processes that carry a fee can also be received by email and processed by court staff. However the same conditions as above must apply and in addition:
  - the party issuing the process must either quote a Fee Account number (see below), or
  - the party who wants to pay has a valid credit or debit card. If you wish to pay using this method please say this on the email and include a contact number for the Court to contact you to take payment.
- Please note Local Authorities are exempt from this provision.
- What is a Fee Account?
  - This is a Direct Debit function that is quick, safe and easy to use. It is available for solicitors and large organisations. Once you have set up an account all you need is to provide your fee account number within the body of the email. The fee will then be deducted from your account.
  - For more information and to apply for Fee Account please visit [www.justice.gov.uk/courts/fees/payment-by-account](http://www.justice.gov.uk/courts/fees/payment-by-account)

### 5. MAKING A CLAIM

### 6. REASONABLE ADJUSTMENTS

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as a reasonable adjustment by phone, in person or in writing by:

- emailing RCJ.DCO@justice.gov.uk, or [centrallondoncounty.dco@justice.gov.uk](mailto:centrallondoncounty.dco@justice.gov.uk)

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. ## 7. COMPLAINTS

- If you are unhappy with a part of your experience using the court service, please be aware that the judiciary are constitutionally independent of Government and the administration of the courts.
- If you feel that decision was incorrect, the proper course of action is to consider whether to appeal the decision. We cannot help you to decide this or resolve it through the administrative complaints process, so we suggest you seek legal advice. If you have not already done so, you may wish to consider seeking independent advice on your situation. Any Citizens Advice Bureau provides free, confidential, and impartial advice on a range of matters. Their contact details can be found in the telephone directory or on their website at [www.citizensadvice.org.uk](http://www.citizensadvice.org.uk).
- If your complaint is about how the judge conducted your case you can contact the Judicial Conduct Investigations Office online at <https://www.complaints.judicialconduct.gov.uk>, or send to Room 81-82, Queen's Building, Royal Courts of Justice, Strand, London, WC2A 2LL, You need to do this within three months.

## 8. LEGAL ADVICE

- HM Court Service staff are not legally trained and must remain strictly neutral at all times. They cannot therefore examine documents and give an opinion on their contents or upon any aspect of a case. It is the responsibility of the parties to ensure they file the correct documents in the correct format. Court staff cannot analyse a case and tell the parties the legal implications of decisions or other circumstances. It is for you to find out the options available to you and, where necessary, seek independent legal advice. It is recommended you decide what options to take and to ensure you understand the implications of that option.

Dear Honourable Sirs

### **THE PETITIONER SEEKS NATIONWIDE SUPPORT FOR A WRITTEN CONSTITUTION IN THE UNITED KINGDOM**

On 2nd July 2024, the petitioner having already submitted a previous petition on the government petition website (

<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBy6S9rdVV>

) for an amended Constitution by instituting a Select Committee convened for the purpose because he had gone through all other processes of Parliament and had not received any kind of response indicating that people and institutions did not know what the constitution states ( the objective of the petition being to keep people better informed on who is in charge of procedures of the House of Commons and of the House of Lords, what the functions of the Consultant Psychiatrists and Chief Constables of Police Forces are and who are the State-officials against whom a citizen can successfully prosecute in civil and criminal courts of the United Kingdom) also applied to the Court of Central London under a Claim against the Prime Minister over 4-5 years to declare the government's decisions relating to injustices suffered by the Claimant over a 26 year period as having been unlawful to be examined under the supposed independence of the judiciary (CLAIM E35YM660 CASE PROGRESSION) and separation of powers, the specifics being that the government website petition scheme on a matter that did not secure cross-party support for a Written Constitution got nowhere and proved to have been

a waste of time in the petitioner going through the Houses of Parliament where the Prime Minister of the day is supposedly ultimately and solely in charge of all proceedings in the House of Commons. The constitution therefore seemingly laid down the onus on the Judiciary in the supposed long-established retention of its independence and oversight of governmental actions in the matter of interpreting the unwritten Constitution for the determination that the government's decision in not enabling the Written Constitution petitioned by the Petitioner was unlawful. No reply was received by the Claimant from the Circuit Judge either, the Hearing of the Case being adjourned from 20 January 2023.

Thus, for the clear failure of both the procedures in the House of Commons and of the Courts to interpret the provisions of the unwritten Constitution in the matter under consideration, it is absolutely necessary to Petition Parliament for nationwide consultation today.

Dear Sir/Madam

I acknowledge receipt of your email this morning as attached: FrUniversityofGreenwich(Letter from the University of Greenwich)1July2024.docx

I never ever sent anyone within the University of Greenwich in its campuses any emails that were offensive or threatening and would accordingly like you to apologise for the defamatory comments unless you can produce evidence in terms of the actual malicious emails that your staff received purporting to have been from me in person as the sender.

Secondly, since legal proceedings have been on-going continuously since 1998 against the University of Greenwich and its co-conspirators, the Claim for £55,000 is not 'significantly out of time'.

For the record, regardless of what the medical authorities of the National Health Service have written about me seconded by the diagnosis of a psychotherapist in Jill Jesson, I have no mental disorders and have repeatedly insisted that I am not only the sanest person alive today in the world, but the sanest who has ever walked on the face of the Earth. The manner in which I have been able to withstand State-organised persecution on me over the past 26 years proves that

the obstacles and traps placed in my path to do something useful with my life after my scientific career was thrown into disarray that I am a Master escapologist.

My demand for damages and compensation of £150 million remains on the table but I am amenable to negotiations in this regard.

Yours sincerely

PERSONAL AND CONFIDENTIAL

Dear Dr Panigrahi

Emails to the University of Greenwich

I am writing in regard to the attached email from you of 17 June 2024. I am sorry to learn of the mental health issues which are referred to in your email and in the letter which you attached from Dr E. Uwuseba.

In your email, you claim that you are owed a "severance payment" from the University of Greenwich and you ask for the Vice-Chancellor to look at your case. I understand that you were previously employed in the University's Natural Resources Institute and that your employment ceased in 1997. Due to the passage of time, the University is unable consider any matter relating to your former employment and we will not enter into any correspondence with you about it. Any complaint or claim from you relating to your former employment is now significantly out of time.

I am aware that you have previously sent emails to University of Greenwich email addresses which staff have found to be offensive, disturbing and threatening. Please be advised that we will not hesitate to report further contacts from you to the police where we have concerns about the safety of our staff or our campuses.

Yours Sincerely

This message originated from outside the University. Treat links and attachments with caution.

Dear Ray and Andrew

During the time that I was seeking to clear my name of the charge that I had been blameworthy of gross misconduct at the University of Greenwich both of you turned a blind eye to this injustice.

Since then I have attempted to make contact with the University of Greenwich through Archon Solicitors but they have blocked me from receiving emails concerning the severance payment of around £55,000 that I am still owed from the University.

The Duty Judge at the Central London County Court is unable to intervene in this matter, as you will note from the linked proceedings:

<https://www.knowledgeassessmentanddissemination.com/post/claim-e35ym660-result>

Ray, during my struggle to fight for justice you were seemingly representing the University in its attempts to get me to accept that I was mentally ill, which has proven to be the case. I have had a 'split mind' according to my psychotherapist Jill Jesson, and at one time I had persistent delusional disorder and later suffered from paranoid schizophrenia according to Dr Oranusi of Britton House, Gillingham, Kent ME8 0SL, as attached: FrBrittonHouseCarePlanfromDrOranusi)29April2024.docx that I do not understand as a layman.

The point is that these mental disorders are not valid reasons to deny me the redundancy payment in the absence of any kind of disciplinary hearing to consider the charge of gross misconduct that was alleged that I had a right to participate in to put my side of the matter. I would accordingly plead with you to request the Vice Chancellor of the University of Greenwich to look again at this case and do the right thing.

It signifies to the State authorities that the Petition matter will require substantial inputs from Peter Cook that he has agreed to provide.

## PETITION TO THE HOUSE OF COMMONS

Shantanu Panigrahi (shantanupanigrahi7000@outlook.com)  
 Peter Cook Virgin <petercook1001@virginmedia.com>  
 2 July 2024 7.10 pm

Dear Peter

It is too late for building up an amplification: I needed the petition to be distributed nationwide explicitly submitted to the House of Commons and the Court of Central London in time for the 4th of July general election, but the Monarchial Establishment have prevented the Media to cover my stories, especially the BBC for over a decade, as if my experiences are irrelevant to the way the State wishes to operate society. Parliament, Court and the 6 political parties were silenced by the authorities.

I am now washing my hands on this matter altogether, and so if you feel it to be important, you have all the materials that I have provided and are free as politician to do what you feel is necessary if you really do wish that things should and can be bettered to the manner it currently is.

It was nice to have got your views and assistance of help but as I said, I hope to be able to secure the Sainsbury's job after the interview on the 8th at Aylesford, and do what I feel I can to promote my religion of Vishista Advaita Sampradaya-expansion globally.

Best of luck with the results of the election.

 Subject: PETITION TO THE HOUSE OF COMMONS

Dear Honourable Sirs

**THE PETITIONER SEEKS NATIONWIDE SUPPORT FOR A WRITTEN CONSTITUTION IN THE UNITED KINGDOM**

On 2nd July 2024, the petitioner having already submitted a previous petition on the government petition website (<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBy6S9rdVV>) for an amended Constitution by instituting a Select Committee convened for the purpose because he had gone through all other processes of Parliament and had not received any kind of response indicating that people and institutions did not know what the constitution states (the objective of the petition being to keep people better informed on who is in charge of procedures of the House of Commons and of the House of Lords, what the functions of the Consultant Psychiatrists and Chief Constables of Police Forces are and who are the State-officials against whom a citizen can successfully prosecute in civil and criminal courts of the United Kingdom) also applied to the Court of Central London under a Claim against the Prime Minister over 4-5 years to declare the government's decisions relating to injustices suffered by the Claimant over a 26 year period as having been unlawful to be examined under the supposed independence of the judiciary (CLAIM E35YM660 CASE PROGRESSION) and separation of powers, the specifics being that the government website petition scheme on a matter that did not secure cross-party support for a Written Constitution got nowhere and proved to have been a waste of time in the petitioner going through the Houses of Parliament where the Prime Minister of the day is supposedly ultimately and solely in charge of all proceedings in the House of Commons. The constitution therefore seemingly laid down the onus on the Judiciary in the supposed long-established retention of its independence and oversight of governmental actions in the matter of interpreting the unwritten Constitution for the determination that the government's decision in not enabling the Written Constitution petitioned by the Petitioner was unlawful. No reply was received by the Claimant from the Circuit Judge either, the Hearing of the Case being adjourned from 20 January 2023.

Thus, for the clear failure of both the procedures in the House of Commons and of the Courts to interpret the provisions of the unwritten Constitution in the matter under consideration, it is absolutely necessary to Petition Parliament for nationwide consultation today.

Yours sincerely

Dear Sir/Madam

I acknowledge receipt of your email this morning as attached: FrUniversityofGreenwich(Letter from the University of Greenwich)1July2024.docx

I never ever sent anyone within the University of Greenwich in its campuses any emails that were offensive or threatening and would accordingly like you to apologise for the defamatory comments unless you can produce evidence in terms of the actual malicious emails that your staff received purporting to have been from me in person as the sender.

Secondly, since legal proceedings have been on-going continuously since 1998 against the University of Greenwich and its co-conspirators, the Claim for £55,000 is not 'significantly out of time'.

For the record, regardless of what the medical authorities of the National Health Service have written about me seconded by the diagnosis of a psychotherapist in Jill Jesson, I have no mental disorders and have repeatedly insisted that I am not only the sanest person alive today in the world, but the sanest who has ever walked on the face of the Earth. The manner in which I have been able to withstand State-organised persecution on me over the past 26 years proves that the obstacles and traps placed in my path to do something useful with my life after my scientific career was thrown into disarray that I am a Master escapologist.

My demand for damages and compensation of £150 million remains on the table but I am amenable to negotiations in this regard.

Yours sincerely

**PETITIONING FOR A REFERENDUM IN THE UNITED KINGDOM FOR A WRITTEN  
CONSTITUTION**

**(Working Draft: 9.54 am 3 July 2024)**

On 2nd July 2024, the petitioner having already submitted a previous petition on the government petition website (

<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBy6S9rdVV>

) for an amended Constitution by instituting a Select Committee convened for the purpose because he had gone through all other processes of Parliament through his Members of Parliament over the 26 years, the Home Secretary, the Speaker, and applied for a Public Enquiry through the Lord Chancellor and Secretary of State for Justice, and the Attorney General, the Police and Crime Commissioner and the independent Office for Police Conduct, seven Political Parties, the Parliamentary and Health Service Ombudsman and the Financial Services Ombudsman; had not received any kind of response indicating that people and institutions did not know what the constitution states and everyone was living in a vacuum of judicial and law enforcement or worse, the State was operated secretly by a unaccountable Monarchial Establishment as it saw fit.

The objective of the petition was to keep people better informed on who is *inter alia* in charge of procedures of the House of Commons and of the House of Lords, what the functions of the Consultant Psychiatrists and Chief Constables of Police Forces are and who are the State-officials against whom a citizen can successfully prosecute in civil and criminal courts of the United Kingdom) also applied to the Court of Central London under a Claim (E35YM660) against the Prime Minister over 4-5 years to declare the government's decisions relating to the injustices suffered by the Claimant as having been unlawful to be examined under the supposed independence of the judiciary (CLAIM) and separation of powers, the specifics also being that the government website petition scheme on a matter that did not secure cross-party support for a Written Constitution got nowhere and proved to have been a waste of time in the petitioner going through the Houses of Parliament where the Prime Minister of the day is supposedly ultimately and solely in charge of all proceedings in the House of Commons.

The constitution therefore seemingly laid down the onus on the Judiciary in the supposed long-established retention of its independence in the separation of powers and its role in the oversight of governmental actions in the matter of interpreting the unwritten Constitution for the determination that the government's decision in not enabling the Written Constitution petitioned by the Petitioner was unlawful. No reply was received by the Claimant from the Circuit Judge either, the Hearing of the Case having remained adjourned since 20 January 2023.

Essentially, the single most important justification for the petition comes from the adage: 'justice delayed is justice denied'. When institutions across the board cannot see what the constitution states, the dispensation of justice is stalled and becomes a lottery as to who wins and who loses a Case. If it could happen to one person like the petitioner it must be happening to millions suffering in silence.

Thus, for the clear failure of both the procedures in the House of Commons and of the Courts to interpret the provisions of the unwritten Constitution in the matter under consideration as described above before the general election of 4 July 2024 so that the people had the opportunity to know which political party to vote for; it was absolutely necessary to Petition

Parliament for a nationwide consultation. The petitioner determined that there was no legal mechanism for doing so short of petitioning for an application for a Referendum of the population to consider a Written Constitution.

Dear Sirs

In view of the gross injustices that I have suffered over the past 26 years from listed agencies of the State that leads me at this moment to consider that the Monarchy has been overwhelmingly if not wholly responsible for my persecution; and the Constitution of the United Kingdom therefore needs Amendment immediately.

I wish to give all of you a final opportunity to justify your responses to my hundreds of emailed communications during this time without any just outcome for me, in preparation of the attached Petition that I am preparing for when the House of Commons petition website opens soon after the 4th of July General Election.

Dear Dr Shantanu Panigrahi,

Thank you for your email.

There will be a General Election on Thursday 4 July. This means that Parliament has been dissolved and that all parliamentary business – including petitions – has been stopped. More information about this can be found on the Petitions Committee website here:

<https://committees.parliament.uk/committee/326/petitions-committee/news/201677/your-petitions-and-the-2024-general-election-faqs/>

The dissolution means that every sitting MP lost their seat and is no longer an MP. They must stand again for election on 4 July 2024 if they wish to be returned in the new Parliament.

You may wish to contact your local MP for advice and support once the election has taken place. Their contact information will be added to our website as soon as possible after 4 July here:

<https://members.parliament.uk/members/commons>

I hope this is helpful.

Yours sincerely,

Dear Petitions Committee

I do very much hope that the sitting MP Mr Rehman Chishti loses his seat in the Gillingham and Rainham Constituency for about 4-5 years ago I wrote to him requesting the government for a Written Constitution for the United Kingdom and he said to me that he did not support the notion at all and that the present unwritten Constitution serves the country well. I therefore voted for Mr Peter James Cook in my postal vote and encouraged my daughter to do the same. My wife because of a friend-connection with Naushaba Khan voted for Labour and since Peter James Cook standing as an Independent candidate is hardly going to get elected here we are hoping for a Labour win in our constituency so that I can then contact Ms Khan for further clarification of the matter linked here:

<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/labour-could-make-huge-change-to-democracy-really>

If I do not make any progress with the expected Labour Party in government on 5th of July 2024, I will no doubt return to the possibility of resubmitting an altered petition through the Petitions Committee website.

Thank you for all your assistance over the past several weeks of my exploration of the unwritten Constitution of the United Kingdom.

Updated this book in Internet Archive and in the Allurement of Reality to the introduction of  
:‘They think it is all over: it is now!’

Now the Central London County Court has another half an hour with no escape but to enter judgment as I have effectively withdrawn from the Petition as I have referred it to Naushabah Khan and Peter James Cook for the next five years of an expected Labour government. This especially since I did not quite accidentally send the email to the Petitions Committee but to the House of Commons Enquiry Service and an auto acknowledgment came back both being fortuitous done without any preplanning or aims as usual.

Dear Sir/Madam

I acknowledge receipt of your email this morning as attached: FrUniversityofGreenwich(Letter from the University of Greenwich)1July2024.docx

I never ever sent anyone within the University of Greenwich in its campuses any emails that were offensive or threatening and would accordingly like you to apologise for the defamatory comments unless you can produce evidence in terms of the actual malicious emails that your staff received purporting to have been from me in person as the sender.

Secondly, since legal proceedings have been on-going continuously since 1998 against the University of Greenwich and its co-conspirators, the Claim for £55,000 is not 'significantly out of time'.

For the record, regardless of what the medical authorities of the National Health Service have written about me seconded by the diagnosis of a psychotherapist in Jill Jesson, I have no mental disorders and have repeatedly insisted that I am not only the sanest person alive today in the world, but the sanest who has ever walked on the face of the Earth. The manner in which I have been able to withstand State-organised persecution on me over the past 26 years proves that the obstacles and traps placed in my path to do something useful with my life after my scientific career was thrown into disarray that I am a Master esapologist.

My demand for damages and compensation of £150 million remains on the table but I am amenable to negotiations in this regard.

Yours sincerely

PERSONAL AND CONFIDENTIAL

Dear Dr Panigrahi

Emails to the University of Greenwich

I am writing in regard to the attached email from you of 17 June 2024. I am sorry to learn of the mental health issues which are referred to in your email and in the letter which you attached from Dr E. Uwuseba.

In your email, you claim that you are owed a "severance payment" from the University of Greenwich and you ask for the Vice-Chancellor to look at your case. I understand that you were previously employed in the University's Natural Resources Institute and that your employment ceased in 1997. Due to the passage of time, the University is unable consider any matter relating to your former employment and we will not enter into any correspondence with you about it. Any complaint or claim from you relating to your former employment is now significantly out of time.

I am aware that you have previously sent emails to University of Greenwich email addresses which staff have found to be offensive, disturbing and threatening. Please be advised that we will not hesitate to report further contacts from you to the police where we have concerns about the safety of our staff or our campuses.

Yours Sincerely

This message originated from outside the University. Treat links and attachments with caution.

Dear Ray and Andrew

During the time that I was seeking to clear my name of the charge that I had been blameworthy of gross misconduct at the University of Greenwich both of you turned a blind eye to this injustice.

Since then I have attempted to make contact with the University of Greenwich through Archon Solicitors but they have blocked me from receiving emails concerning the severance payment of around £55,000 that I am still owed from the University.

The Duty Judge at the Central London County Court is unable to intervene in this matter, as you will note from the linked proceedings:

<https://www.knowledgeassessmentanddissemination.com/post/claim-e35ym660-result>

Ray, during my struggle to fight for justice you were seemingly representing the University in its attempts to get me to accept that I was mentally ill, which has proven to be the case. I have had a 'split mind' according to my psychotherapist Jill Jesson, and at one time I had persistent delusional disorder and later suffered from paranoid schizophrenia according to Dr Oranusi of Britton House, Gillingham, Kent ME8 0SL, as attached: FrBrittonHouseCarePlanfromDrOranusi)29April2024.docx that I do not understand as a layman.

The point is that these mental disorders are not valid reasons to deny me the redundancy payment in the absence of any kind of disciplinary hearing to consider the charge of gross misconduct that was alleged that I had a right to participate in to put my side of the matter. I would accordingly plead with you to request the Vice Chancellor of the University of Greenwich to look again at this case and do the right thing.

Yours sincerely

### **THE PETITIONER SEEKS NATIONWIDE SUPPORT FOR A WRITTEN CONSTITUTION IN THE UNITED KINGDOM**

On 2nd July 2024, the petitioner having already submitted a previous petition on the government petition website (<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBY6S9rdVV>) for an amended Constitution by instituting a Select Committee convened for the purpose because he had gone through all other processes of Parliament and had not received any kind of response indicating that people and institutions did not know what the constitution states (the objective of the petition being to keep people better informed on who is in charge of procedures of the House of Commons and of the House of Lords, what the functions of the Consultant Psychiatrists and Chief Constables of Police Forces are and who are the State-officials against whom a citizen can successfully prosecute in civil and criminal courts of the United Kingdom) also applied to the Court of Central London under a Claim against the Prime Minister over 4-5 years to declare the government's decisions relating to injustices suffered by the Claimant over a 26 year period as having been unlawful to be examined under the supposed independence of the judiciary (CLAIM E35YM660 CASE PROGRESSION) and separation of powers, the specifics being that the government website petition scheme on a matter that did not secure cross-party support for a Written Constitution got nowhere and proved to have been a waste of time in the petitioner going through the Houses of Parliament where the Prime Minister of the day is supposedly ultimately and solely in charge of all proceedings in the House of Commons. The constitution therefore seemingly laid down the onus on the Judiciary in the supposed long-established retention of its independence and oversight of governmental actions in the matter of interpreting the unwritten Constitution for the determination that the government's decision in not enabling the Written Constitution petitioned by the Petitioner was

unlawful. No reply was received by the Claimant from the Circuit Judge either, the Hearing of the Case being adjourned from 20 January 2023.

Thus, for the clear failure of both the procedures in the House of Commons and of the Courts to interpret the provisions of the unwritten Constitution in the matter under consideration, it is absolutely necessary to Petition Parliament for nationwide consultation today.

Yes Berzan, I learnt some good things at the Universities of the United Kingdom and especially at Reading as a scientist. I am an intellectual genius who in his your read a book 'Diagnosis of Man' by a Robert Walker and it set me thinking that I needed to move up from the noddy work of Agricultural Sciences and the Environment to develop my knowledge of human beings which I figured had more materials available to study than the hybrid animals that I use do work with. This study I defined as Humanology, and it took me into the depths of the human mind, and how it constructs society. I became very religious from these studies and founded 'Vishista Advaita Sampradaya which keeps me occupied in my retirement. I put my knowledge to practical uses and determine the social engineering that is needed for optimal survival of the human species in an ever changing environment. I determined that the causes of mental disorders like paranoid schizophrenia and persistent delusional disorders lay firmly and squarely on the State-construction of society and the solution is democracy for which we urgently need a Written Constitution in the United Kingdom for the sake of humanity.

Hi Dr. Shantanu,

Thanks for your patience and for the additional information.

We apologize for the delay in responding due to the unprecedented demand for our services at the moment, and we endeavor to respond to all our users as soon as we can.

I've looked into your account and for us to move forward, can you please clarify what type of transactions Stripe will be used for (i.e. will donations be processed via Stripe)? Once we receive this information, I'll coordinate with our team to have your account reviewed.

I hope to hear from you soon. Please feel free to reach out if you have other questions or if you need anything else.

Best,

Hello Jose

Still some teething issues with Stripe that had some further due diligence questions. I have provided Stripe with the following clarification:

Went to Stripe website and through the Chat facility requested an email to the following submission from an agent:

'To address Stripes query, all donations to The Conservative Libertarian Publications Limited are received through our website at Global Foundation: The Theory of Everything and its Usage <https://www.thenewclimateformankind.com/> The Company does not donate any funds to anyone, so the question does not arise. Global Foundation: The Theory of Everything and its Usage  
I have investigated Reality in all its dimensions from basic sciences to the religions and philosophies and gave...

Let me see if that is now acceptable.

Apart from that I would say that I have found Join It to be a wonderful set up that I have understood nearly fully now, and would recommend Join It to anyone for this day and age. I will certainly forward your email to anyone who expresses an interest in developing a Membership website.

Thank you for all your kind assistance.

Hi there,

I want you to propose an exciting opportunity to revamp and enhance your current Wix Website with better design, functionality and technology.

Following are the brief of advantages or what we can do:

- Highly interactive, custom, and modern UI/UX
- Streamlined Navigation and Information Architecture
- High performance and Speed
- More business-driven features integration
- 100% website ownership (no monthly/annual subscription charge)

Does this sound worth exploring to you? If yes, can we schedule a call session?

If you are seeking to make a report

Please use our online reporting form which is available here. This will ensure that your report is properly logged and will help to provide us with the information we need to complete an assessment of your concern.

If you have already made a report

We receive a large number of reports and it is currently taking us at least eight weeks to complete an initial assessment. We will contact you once we have completed our assessment, although we may be in touch with you before then if we need more information about your concern. Please note that we can't give detailed updates on the progress of our assessments.

If you are a barrister making a report about another barrister under rule rC66 of The BSB Handbook, we will only contact you if we need more information. You won't be informed of the outcome of our assessment.

You can read about our process for assessing information here.

If you are making a general enquiry

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

## How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website ([www.legalombudsman.org.uk](http://www.legalombudsman.org.uk)). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

Hi Shantanu,

Travelling made easy

Before you head off

Make sure you don't get surprised by unexpected fees. Check which of your cards has the lowest fees when you use it abroad, so you can take the right one with you.

If you're going out of the EU, remember to tell us through Online Banking, so we can keep your cards safe.

Holiday vouchers worth £5,000

Every time you spend abroad in the local currency using your Santander debit or credit Mastercard between 18 June and 15 September 2024, we'll enter you into a prize draw. Spending by additional cardholders counts too.

You could win 1 of 18 travel vouchers worth £5,000 each. T&Cs apply. Head over to our website for full details.

### Fundraising Due Diligence Questionnaire

Why do we need a due diligence questionnaire for Fundraising users?

In highly regulated industries, Stripe will need to collect user information (outside of onboarding requirements) so that Stripe can appropriately manage the risks associated with such industries and ensure compliance with relevant regulations, banking partner requirements, and card network rules.

What do we do with the information we receive?

Risk and Legal teams within Stripe will review responses to validate that they comply with Stripe's user supportability requirements. In some cases, review teams may require clarifications or additional documentation and will follow up with additional questions.

**Fundraising Due Diligence Questionnaire**  
**Revised 5 July 2024**

Why do we need a due diligence questionnaire for Fundraising users?

In highly regulated industries, Stripe will need to collect user information (outside of onboarding requirements) so that Stripe can appropriately manage the risks associated with such industries and ensure compliance with relevant regulations, banking partner requirements, and card network rules.

What do we do with the information we receive?

Risk and Legal teams within Stripe will review responses to validate that they comply with Stripe's user supportability requirements. In some cases, review teams may require clarifications or additional documentation and will follow up with additional questions.

Business Summary

Please confirm what best describes your fundraising activity

**We are a political party raising funds on our own behalf.**

Licensing and Regulation

Please provide a link to your online registration or a copy of the relevant documentation to demonstrate your status as a registered charity in all areas of operation

Please provide a link to your online registration:

<https://www.theconservativelibertariansociety.com/blank>

Please describe your charitable activity or your business model: where do you maintain operations? (In what countries do you maintain operations)

**We have developed our religion-based political party in the United Kingdom as part of the philosophy of Conservative Libertarianism, that has a unique constitution and is preparing to stand candidates in local and general elections within the United Kingdom. The Business Model is that we have publications and websites together with a party-political manifesto funded by The Conservative Libertarian Publications Limited that raises membership Fees by selling its 209 published books and is registered with Companies House paying taxes to His Majesty Customs and Revenue. After obtaining 10 members the Party (TCLP-UK) will register with the Electoral Commission of the United Kingdom. We are very active in politics which has international relations in the United States of America although there are no current officials in that country.**

**Through our politics we teach people how to live useful lives and cope with mental disorders brought about by inappropriate government and corrupt social engineering.**

How do you raise funds? (Who do you target for donations and what countries are they based in)

**Membership of religion-based online congregation Vishista Advaita Sampradaya (TCLS/TCLP-UK) and selling our 209 books at**

**(<https://www.theallurementofrealityinreview.com/shop> through marketing techniques:**

**<https://www.theconservativelibertariansociety.com/blank-page-1> We also accept**

**donations for our Society at <https://www.thenewclimateformankind.com/>**

How do you distribute funds/donations? (Who are your beneficiaries and what countries are they based in)

We fund political campaigns in the United Kingdom to begin with the members that we are able to register with the Vishista Advaita Sampradaya (TCLS/TCLP-UK). We do not donate funds. Our beneficiaries will be the people of the United Kingdom whom we will serve as government once we are elected into office. The beneficiaries are solely based in the United Kingdom.

Please list each country from which you collect funds and serve (or plan to serve) and the approximate proportion of your revenue generated in and donated to each country. Please indicate if you have plans to expand to additional countries and when such expansion might occur.

So far we have not had any money that I have been able to collect, but we are hopeful that once our JOIN It Membership Account is up and running after the change:

<https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk/> we will get memberships.

The target audience will be the residents and citizens of the United Kingdom only. We do not have any plans to expand into other countries. We will also sell our 209 books as stated above.

Do you attest that you do not accept funds from, provide support to, or otherwise permit any transactions involving prohibited countries (e.g., Iran, Syria, Cuba, North Korea, and / or the Crimea, Donetsk, Luhansk regions) or persons subject to sanctions?

Dear Publisher,

Thank you for your e-mail.

Dear Companies House

The Company name is THE CONSERVATIVE LIBERTARIAN PUBLICATIONS LIMITED, COMPANY NUMBER 13489581.

The reason for having copied you into this email that since the day I registered this Company with Companies House, I as Director has been continuously subjected to sabotage some of which I brought to your attention (Kent Police especially, HMRC, Lulu Publishing too along with Wordpress company) and especially the British Library a reflected by the fact that it did not acknowledge the email that I required:

ToBritishLibrary(LackadaisicalDeadline5pmAcknowledgebyReturnEmail)5Jul2024.docx. To add to the persecution that I have suffered in the United Kingdom half a dozen Companies in which I sought a part-time job, have made it impossible for me to get any kind of income which is the main objective of the saboteurs of the Company, see attached: FrSainsburys(Your interview has been cancelled)5Jul2024.docx.

Please investigate these matters urgently.

Yours sincerely

Dear Customer,

Thank you for your email.

Companies House incorporates and dissolves limited companies, registers the information companies have to send us and makes that information available to the public. We'll act against companies that fail to deliver their documents. We can remove companies from the register and prosecute directors.

We have no investigatory powers and can't investigate fraud allegations.

If you suspect fraudulent activity, report the details to Action Fraud - 0300 123 2040

Contact us if you have concerns that:

- A registered office has been changed without the company's knowledge or consent
- An individual has been appointed as an officer without their knowledge or consent
- A company name has been changed without permission
- An unauthorised address is being used for a registered office or officer's service address

**Complain to The Insolvency Service**

The Insolvency Service can investigate limited companies when they receive information that suggests serious corporate abuse. Corporate abuse might include:

- causing significant harm to customers
- breaking the law (such as fraud)
- serious misconduct (such as company assets have not been used properly)
- significant irregularity in a company's affairs

[Click here for further guidance.](#)

Telephone: 0300 678 0017 (24-hour answerphone to ask for a form)

You can also complain in writing.

Intelligence Hub  
Investigations and Enforcement Services  
Insolvency Service  
3rd Floor Cannon House  
18 Priory Queensway

The Insolvency Service won't usually investigate complaints if:

- There's no public interest, eg an internal company dispute
- An investigation by somebody else is already underway
- The main issue is that the company isn't paying its debts

Dear Companies House

The Company name is THE CONSERVATIVE LIBERTARIAN PUBLICATIONS LIMITED, COMPANY NUMBER 13489581.

The reason for having copied you into this email that since the day I registered this Company with Companies House, I as Director has been continuously subjected to sabotage some of which I brought to your attention (Kent Police especially, HMRC, Lulu Publishing too along with Wordpress company) and especially the British Library a reflected by the fact that it did not acknowledge the email that I required:

ToBritishLibrary(LackadaisicalDeadline5pmAcknowledgebyReturnEmail)5Jul2024.docx. To add to the persecution that I have suffered in the United Kingdom half a dozen Companies in which I sought a part-time job, have made it impossible for me to get any kind of income which is the main objective of the saboteurs of the Company, see attached: FrSainsburys(Your interview has been cancelled)5Jul2024.docx.

Please investigate these matters urgently.

Yours sincerely

Dear Customer,

Thank you for your email.

Companies House incorporates and dissolves limited companies, registers the information companies have to send us and makes that information available to the public. We'll act against companies that fail to deliver their documents. We can remove companies from the register and prosecute directors.

We have no investigatory powers and can't investigate fraud allegations.

If you suspect fraudulent activity, report the details to Action Fraud - 0300 123 2040

Contact us if you have concerns that:

- A registered office has been changed without the company's knowledge or consent
- An individual has been appointed as an officer without their knowledge or consent
- A company name has been changed without permission
- An unauthorised address is being used for a registered office or officer's service address

Complain to The Insolvency Service

The Insolvency Service can investigate limited companies when they receive information that suggests serious corporate abuse. Corporate abuse might include:

- causing significant harm to customers
- breaking the law (such as fraud)
- serious misconduct (such as company assets have not been used properly)
- significant irregularity in a company's affairs

[Click here for further guidance.](#)

Telephone: 0300 678 0017 (24-hour answerphone to ask for a form)

You can also complain in writing.

The Insolvency Service won't usually investigate complaints if:

- There's no public interest, eg an internal company dispute

- An investigation by somebody else is already underway
- The main issue is that the company isn't paying its debts

Dear Companies House

The Company name is THE CONSERVATIVE LIBERTARIAN PUBLICATIONS LIMITED, COMPANY NUMBER 13489581.

The reason for having copied you into this email that since the day I registered this Company with Companies House, I as Director has been continuously subjected to sabotage some of which I brought to your attention (Kent Police especially, HMRC, Lulu Publishing too along with Wordpress company) and especially the British Library a reflected by the fact that it did not acknowledge the email that I required:

ToBritishLibrary(LackadaisicalDeadline5pmAcknowledgebyReturnEmail)5Jul2024.docx. To add to the persecution that I have suffered in the United Kingdom half a dozen Companies in which I sought a part-time job, have made it impossible for me to get any kind of income which is the main objective of the saboteurs of the Company, see attached: FrSainsburys(Your interview has been cancelled)5Jul2024.docx.

Please investigate these matters urgently.

Hello

The only notes I received from Stripe were the attached:  
 FrStripe(AppreciatestheElaborationthatIreachedoutwith)5Jul2024.docx in response to the communication ToStripe(Further Due Diligence Elaboration Submission)5Jul2024.docx. Then I received from you the attached email: FrStripe(A new The Conservative Libertarian Publications Limited tax invoice is available)5Jul2024.docx. I have given you all the answers that you required from me and still my £9.30 is not paid out to my NatWest Bank that I complained to you about.

So why should my Account be on hold, kindly make this explicitly clear immediately instead of pussyfooting with me with duplicitous emails, unless you are deliberately trying to sabotage my project.

Yours sincerely

**Fundraising Due Diligence Questionnaire Stripe4July2024.docx**

**Fundraising Due Diligence Questionnaire**

**Revised 5 July 2024**

Why do we need a due diligence questionnaire for Fundraising users?

In highly regulated industries, Stripe will need to collect user information (outside of onboarding requirements) so that Stripe can appropriately manage the risks associated with such industries and ensure compliance with relevant regulations, banking partner requirements, and card network rules.

What do we do with the information we receive?

Risk and Legal teams within Stripe will review responses to validate that they comply with Stripe's user supportability requirements. In some cases, review teams may require clarifications or additional documentation and will follow up with additional questions.

It is something of a mission of mine over a number of years. I am still learning as I go along. So please be patient and assist me whichever way you can.

Although I was for a couple of weeks really angry with Stripe for unnecessarily prying into our Business which is a private and confidential matter in terms of commercial sensitivities, and remain concerned with this latest email that has come to me on this Saturday morning which seems to indicate that there are forces beyond Stripe's control that is striving to sabotage my project with JOIN IT, I have to exhaust all possibilities to make my points clearly and positively as is my religion of truth-accommodation a cornerstone of <https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk/> . My motto is let Nature take its course. If it will be it will be. I know that I tried my best and the Monarchial Establishment of the United Kingdom blocked the project by putting pressure on Stripe not to cooperate with me.

Dear Sir

I specialise in dealing with national and international criminals: I started this project in 1998 when in the University of Greenwich that still owes me £55,000 in severance pay with its co-conspirators going by the pseudonym of Victims of Panigrahi Association (VOPA) and since then terrorised ever since, so found a way to cope with it : [https://archive.org/details/dealing-with-international-criminals-digital\\_202405](https://archive.org/details/dealing-with-international-criminals-digital_202405) I do not care where they come from, and right now the criminal that I am focussing on bringing to justice in the Court of Public Opinion is the Circuit Judge in the Central London County Court who deprived me of £150 million in damages and compensation against the co-conspirators with the University of Greenwich. Hiding above the Circuit Judge in the Central County Court have been two Monarchs, Queen Elizabeth who I described two decades ago as a wicked and evil green witch, who ordered my persecution in the United Kingdom and the mantle was then handed over to her successor King Charles III in accordance with divine right of Kings and Queens to rule over the population as Absolute Monarch: [https://archive.org/details/dictatorial-monarch-in-the-united-kingdom-digital\\_202405](https://archive.org/details/dictatorial-monarch-in-the-united-kingdom-digital_202405). I put in place legal procedures to have Queen Elizabeth dethroned in civil and criminal actions including issuing proceedings in The International Criminal Court from where judgment is awaited now against King Charles III:

Peter

Congratulations: so long as your self-appraisal has been satisfactory for you, that is the main thing.

I am still facing difficulties with Stripe, the Business Bank, and the establishment of my Party TCLP-UK which campaigns for a semi-Republican agenda that a Written Constitution would automatically rectify, given the terrible state of Justice and Law Enforcement in the United Kingdom, that is summarised here:

<https://www.knowledgeassessmentanddissemination.com/post/re-action-required-provide-additional-information-about-the-conservative-libertarian-publications-1> will be taken forward in a Petition to Parliament as soon as the Committee has been convened and the website opened.

I am interested in joining the European Union as the next best thing but it is not the be-all and end-all of my considerations, and neither is the Climate agenda. I am interested in humanity above all, that comes from truth, justice and democracy.

If you are also interested I could do with assistance in writing the Petition to the House of Commons.

Best regards

Shantanu

344 votes cast for Stan the Cat. I came 6th out of 8 candidates, beating two national parties with budgets and resources.

Not too shabby, given that I recommended people vote for Labour rather than myself at two sets of hustings. In spite of this kamikazi mission, I still got more votes than Count Binface who had immense national publicity and the vast majority of independent candidates. I did all the on the ground campaigning by myself, accepting that most people thought it was pointless. And with no £ millions to spam people with fb and You Tube ads.

At the same time, I helped The Lib Dems to win in Epsom. Our anti-Tory leaflets also helped to remove Tolhurst and Gamester in Chatham / Aylesford and Rochester / Strood.

I also recruited 14 candidates for the Climate Party and coached them on various matters from campaigning to hustings and social media.

And finally, I endured a knife attack on my bicycle and keys down my car from Deform UK acolytes. I also faced down endless criticism from people across UK who voted to Remain in the EU, who said that I would split the vote and allow the Tories to win. In fact, I did the exact opposite. I knew exactly what I was doing.

And when set against Gina Miller, a woman with £46 million and a supposed international brand, who got 845 votes, v a man with a bicycle and a cat 🐱 I'll take this as a win !!!

I thoroughly enjoyed meeting new people and discussing the issues they face in the area as well as the big ticket items currently being ignored by Starmer. I'm minded to start some citizens assemblies to ensure that he hears from the people of Medway.

**15.2kB:**

**PETITION FOR A WRITTEN CONSTITUTION FOR THE UNITED KINGDOM**  
**(Working draft: 20.41 pm 6 July 2024)**

I specialise in dealing with national and international criminals: I started this project in 1998 when in the University of Greenwich that continues to owe me £55,000 in severance pay with its

co-conspirators going by the pseudonym of Victims of Panigrahi Association (VOPA) who then and since then terrorised me, but I found a way to cope with it. I do not care where they come from, and right now the criminal that I am focussing on bringing to justice in the Court of Public Opinion is the Circuit Judge in the Central London County Court who deprived me of £150 million in damages and compensation against the co-conspirators with the University of Greenwich. But was the Circuit Judge processing Claim E35YM660 against the Prime Ministers or were there forces above him that had been doing so, I pondered over.

Hiding above the Circuit Judge in the Central County Court have been two Monarchs, Queen Elizabeth II whom I described two decades ago as being a wicked and evil green witch towards me, ordered my persecution in the United Kingdom over 26 years by defaming me and consigning me to the Mental Health Services of the State; the mantle then handed over to her successor King Charles III in the assumed Divine right of Kings and Queens to rule over the population as Absolute Monarchs. To find out I put in place legal procedures to have Queen Elizabeth dethroned in civil and criminal actions including issuing proceedings in The International Criminal Court from where judgment against King Charles III was not given due consideration due to the United Kingdom being a permanent member of the Security Council of the United Nations. It is for fighting for justice that the petitioner was intensely persecuted by the State.

Such criminals need to be brought to Courts of law to face justice and made to pay appropriate reparations to the victims of their crimes. But the unwritten Constitution allows highly corrupt individuals and businesses to commit crimes with impunity and conduct lesser but nonetheless fraudulent activities that the Police do not have the resources or the will to investigate and prosecute perpetrators.

A Written Constitution would prevent the Monarchist Establishment from the tyrannical persecution of those like the petitioner who campaign for truth, justice and democracy, for these ethics if pursued by the State authorities will bring corruption to an end in society. The Monarchial Establishment operates in secrecy manipulating businesses and Media who then hoodwink the public with fake news and propaganda so that they can escape justice. They manipulate the Police to frame allegations against individuals who stand in the way of their corrupt practices. Similarly they manipulate the Judicial processes of the State against selected civil and criminal litigants, which the petitioner has personal experience of and has documented extensively in his 25 websites and 209 eBooks.

The Monarchial Establishment is nameless and faceless so that the only person one can take issue with is the Monarch himself or herself who it is assumed are immuned from legal processes of litigation, dethronement and impeachment in Parliament, an argument that the Judicial authorities interpreting the unwritten Constitution would hide behind to deliberately deprive litigants of justice.
